

One Hundred Sixteenth
FALL COMMENCEMENT

Friday, December the Thirteenth
Two Thousand Twenty-Four
Williams Arena at Minges Coliseum™
Greenville, North Carolina

THE ACADEMIC PROCESSION

For the benefit of our visitors, the following information, digested from An Academic Costume Code and Ceremony Guide prepared by the American Council on Education, may prove helpful in identifying the costumes you will see in the Commencement Procession.

In the procession, first come the speakers, trustees, administrative officers, candidates for honorary degrees and other members of the platform party, then the faculty, and finally the candidates for degrees arranged in the order in which the degrees are to be conferred.

The history of academic dress reaches far back into the earliest days of the oldest universities. A statute of 1321 required that all Doctors, Licentiates, and Bachelors of the University of Coimbra wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges prescribed the wearing of a long gown. When American colleges and universities desired to adopt some suitable system of academic apparel, a conference held at Columbia University in 1895, made up of representatives from various institutions, drew up a By-law, Regulation, or Statute for the establishment of a suitable code of academic dress for colleges and universities in the United States. This code, with modifications made in 1959 by the Committee on Academic Costumes and Ceremonies of the American Council on Education, is still in force; the costumes and colors, trimmings, and patterns you will see are all traditional, and interpret both the degree and field of learning. The bachelor's gown, designed to be worn closed, has pointed sleeves, and the master's gown, which may be worn open or closed, has an oblong sleeve open at the wrist which hangs down in the traditional manner. The rear part of its oblong shape is square cut and the front part has the arc cut away. The doctor's gown has bell-shaped sleeves. It may be worn open or closed.

Black is the recommended color for all academic gowns. Bachelor's and master's gowns are untrimmed. Doctor's gowns are faced with black velvet, with three bars across the sleeves; or the color of the velvet may be that which is distinctive to the degree, agreeing with that of the edging of the hood. The colors you will see in the hoods and gowns of our faculty represent the various fields in which the degrees were taken:

Apricot	Nursing	Orange	Engineering
Brown	Fine Arts	Pink	Music
Citron	Social Work	Purple	Law
Crimson	Journalism	Sage Green	Physical Education
Dark Blue	Philosophy	Salmon Pink	Public Health
Golden Yellow	Science	Scarlet	Theology
Green	Medicine	Slate Blue	Occupational Therapy
Lemon-Yellow	Library Science	Teal	Physical Therapy
Light Blue	Education	Yellow-Brown	Commerce, Business, Accountancy
Lilac	Dentistry	White	Arts, Letters, Humanities
Maroon	Home Economics		
Olive-Green	Pharmacy		

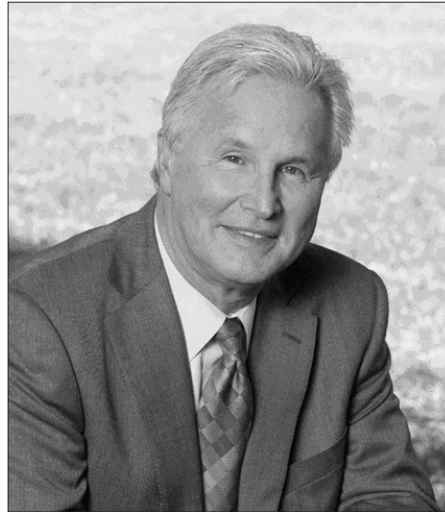

The hoods, differing in length for the three degrees, bachelor's, master's and doctor's, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. Hoods are edged and bound with velvet of the color appropriate for the degree. You will see in our procession many edged with the dark blue, for doctor of philosophy.

Mortar boards are the approved headgear. The tassel, worn on the left side of the cap, may be of gold if the holder has a doctor's degree.

Of Special Note

Student members of the ECU chapter of Phi Kappa Phi wear braided navy and gold honor cords. Phi Kappa Phi is the nation's oldest, largest and most selective collegiate honor society that inducts top baccalaureate and higher degree candidates in all disciplines. Initiates of Phi Kappa Phi must rank in the top 10% of their graduating class.

COMMENCEMENT SPEAKER

Robert J. Greczyn Jr.

Bob is a seasoned health care executive and a dedicated advocate for East Carolina University (ECU) and ECU Health. Originally from Hightstown, New Jersey, Bob moved to Greenville, North Carolina, in 1969 to attend ECU. He quickly immersed himself in university life and graduated in 1973 with a Bachelor of Arts in psychology. His passion for improving public health led him to pursue further education, and he earned a master's degree in public health from the University of North Carolina at Chapel Hill in 1981.

With a strong foundation in both psychology and public health, Bob embarked on a distinguished career in health care that spanned more than three decades. His career began with a focus on rural health initiatives, and he played a pivotal role in starting a rural health program in Anson County, North Carolina. He then went on to establish a Health Maintenance Organization (HMO) in Delaware, where he successfully navigated the complexities of a burgeoning health care model.

Bob's leadership was further demonstrated when he returned to the Triangle as CEO of Carolina Physicians Health Plan (later named HealthSource). During that time, his expertise in operations, strategy, and patient care led to a remarkable growth for the organization. In 1998, he joined Blue Cross and Blue Shield of North Carolina (BCBSNC), where he became president in 1999 and CEO in 2000. Bob led a comprehensive transformation that dramatically improved the company's performance, strengthening its position as a leading health insurer in the state. After more than a decade of successful leadership, he retired from BCBSNC in 2010.

After retiring in 2010, Bob partnered with his oldest son, Will, to purchase six Mellow Mushroom restaurants in North Carolina.

Throughout his career, Bob remained committed to ECU and its health care initiatives. He has been a passionate supporter of the university and its mission, serving in numerous leadership roles. Bob chaired the ECU Board of Visitors and the ECU Board of Trustees, and he currently serves as the Chair of the ECU Health Board of Directors. His unwavering dedication to the university and its health care system has helped shape the direction of ECU Health, an organization that plays a critical role in improving the health and well-being of eastern North Carolina.

Bob, and his wife, Kristen, a fellow ECU alumna (c/o 1989), currently reside in Cary, North Carolina. They have four children, Will, Matt, Samantha (ECU c/o 2016), and Bailey.

EAST CAROLINA UNIVERSITY'S MACE, LOGO AND SEAL

The **mace**, a medieval weapon, has become through the centuries an insignia of university authority. In this instance it represents the continuity of the institutional governing body.

Some 43 inches long and weighing approximately 14 pounds, the East Carolina University mace is constructed of sterling silver. It features a unique purple fluorite crystal cluster contained within a gold-plated cage. The shaft of the mace has a hammered texture and is divided in the center by a pierced band. The pierced design is repeated at the mace boss (symbolic head) and terminus. The terminus is a representation of the historical weapon head which has diminished in size as the mace has changed from a weapon to a symbol. The same representation of symbolic use has increased the size and importance of the boss or mace head. The mace bears the inscription *East Carolina University 1907*.

This handsome mace was designed and executed by the late John Satterfield of the Design Department of the East Carolina University School of Art, who commented on the design concept: In designing the East Carolina University mace I have attempted to maintain the visual integrity of a traditional mace and at the same time create a contemporary symbol which is unique to this institution.

We share a bold vision. Big goals. Great opportunities. Getting there means telling the ECU story in an equally bold way.

The university **logo** is central component of ECU's brand identity. The logo is a stylized illustration of the most iconic architecture on the beautiful ECU campus: the Cupola. The Cupola is a copy of the ornamental structure that once graced the top of Old Austin, the original administration building.

Look closely at the logo and you'll see a representation of our students in cap and gown, underlining this university's commitment to student success.

ECU's logo — like the logos of other national universities over hundreds of years of higher education — also includes a shield, contributing a sense of heraldry, gravitas and stature. This is paired with the letters ECU, in type that is both bold and fitting for the institution's personality.

The official East Carolina University **seal** is a six-cornered shield encased in a circular border containing the name, location, and founding date of the University. It appears on the diploma. The shield represents the shield of trust, as was used in the Crusades.

The university's motto, *Servire* — meaning To Serve — is emblazoned on the scroll. The blazing torch and the open *Book of Knowledge* symbolize education and the service rendered to the students by the University. The ink pot and quill, symbols of scribes, represent the creative arts and the contributions of the students to the world of business. The pirate is the school mascot.

The central motif of the design—a shield within the shield with Polaris, the guiding star, behind the two half globes that make up the world—expresses the idea that East Carolina University has the mission to educate graduates who will serve to the four corners of the world.

Actual honors are awarded based on calculations at the conclusion of the student's final term of enrollment.

The Commencement Program is printed prior to administering final examinations. Therefore, the inclusion of names of degree candidates in this program is not certification that degree requirements have been satisfactorily completed.

THE NATIONAL ANTHEM

*Oh! say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh! say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?*

– Francis Scott Key

ALMA MATER

*Praise to your name so fair,
dear old East Carolina
Your joys we'll all share,
and your friends we'll ever be.
We pledge our loyalty
and our heart's devotion
To thee, our alma mater, love and praise.*

– Harold MacDougle '44
