Greenville, North Carolina

# THE ACADEMIC PROCESSION

*For the benefit of our visitors, the following information, digested from An Academic Costume Code and Ceremony Guide prepared by the American Council on Education, may prove helpful in identifying the costumes you will see in the Commencement Procession.*

In the procession, first come the speakers, trustees, administrative officers, candidates for honorary degrees and other members of the platform party, then the faculty, and finally the candidates for degrees arranged in the order in which the degrees are to be conferred.

The history of academic dress reaches far back into the earliest days of the oldest universities. A statute of 1321 required that all Doctors, Licentiate, and Bachelors of the University of Coimbra wear gowns. In England, in the second half of the 14th century, the statutes of certain colleges prescribed the wearing of a long gown. When American colleges and universities desired to adopt some suitable system of academic apparel, a conference held at Columbia University in 1895, made up of representatives from various institutions, drew up a By-law, Regulation, or Statute for the establishment of a suitable code of academic dress for colleges and universities in the United States. This code, with modifications made in 1959 by the Committee on Academic Costumes and Ceremonies of the American Council on Education, is still in force; the costumes and colors, trimmings and patterns you will see are all traditional, and interpret both the degree and field of learning. The bachelor's gown, designed to be worn closed, has pointed sleeves, and the master's gown, which may be worn open or closed, has an oblong sleeve open at the wrist which hangs down in the traditional manner. The rear part of its oblong shape is square cut, and the front part has the arc cut away. The doctor's gown has bell-shaped sleeves. It may be worn open or closed.

Black is the recommended color for all academic gowns. Bachelor's and master's gowns are untrimmed. Doctor's gowns are faced with black velvet, with three bars across the sleeves; or the color of the velvet may be that which is distinctive to the degree, agreeing with that of the edging of the hood. The colors you will see in the hoods and gowns of our faculty represent the various fields in which the degrees were taken:

<b>Apricot</b> .....	Nursing	<b>Orange</b> .....	Engineering
<b>Brown</b> .....	Fine Arts	<b>Pink</b> .....	Music
<b>Citron</b> .....	Social Work	<b>Purple</b> .....	Law
<b>Crimson</b> .....	Journalism	<b>Sage Green</b> ....	Physical Education
<b>Dark Blue</b> .....	Philosophy	<b>Salmon Pink</b> .....	Public Health
<b>Golden Yellow</b> .....	Science	<b>Scarlet</b> .....	Theology
<b>Green</b> .....	Medicine	<b>Slate Blue</b> ....	Occupational Therapy
<b>Lemon-Yellow</b> .....	Library Science	<b>Teal</b> .....	Physical Therapy
<b>Light Blue</b> .....	Education	<b>Yellow-Brown</b> .....	Commerce, Business, Accountancy
<b>Lilac</b> .....	Dentistry	<b>White</b> .....	Arts, Letters, Humanities
<b>Maroon</b> .....	Home Economics		
<b>Olive-Green</b> .....	Pharmacy		

The hoods, differing in length for the three degrees, bachelor's, master's and doctor's, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. Hoods are edged and bound with velvet of the color appropriate for the degree. You will see in our procession many edged with the dark blue, for doctor of philosophy.

Mortar boards are the approved headgear. The tassel, worn on the left side of the cap, may be of gold if the holder has a doctor's degree.

## Of Special Note

Student members of the ECU chapter of Phi Kappa Phi wear braided navy and gold honor cords. Phi Kappa Phi is the nation's oldest, largest and most selective collegiate honor society that inducts top baccalaureate and higher degree candidates in all disciplines. Initiates of Phi Kappa Phi must rank in the top 10% of their graduating class.

## COMMENCEMENT SPEAKER

*Kevin Williamson*

Kevin Williamson is a writer, creator, producer and director whose unique vision and imaginative storytelling has thrilled audiences for decades, resulting in some of the most entertaining and successful television series and films of all time.

From iconic feature films to explosive hit TV series, Williamson has established himself as a major force in Hollywood for over 25 years. He is the creator and executive producer of the pop culture hit phenomenon *Dawson's Creek*, which launched the careers of James Van Der Beek, Katie Holmes, Joshua Jackson and Michelle Williams. Preceding his success in television, Williamson's rise to stardom began in 1996 with the post-modern classic film *Scream*. Drawing on his childhood love of scary movies, Williamson created the franchise that reinvigorated the horror genre and is still thriving today. He followed this with his directorial debut, *Teaching Mrs. Tingle*, starring Helen Mirren. A partial list of works includes *I Know What You Did Last Summer*, *The Faculty*, *Halloween: H20* with Jamie Lee Curtis, *Tell Me a Story*, the Fox network hit *The Following*, and the critically acclaimed series *The Vampire Diaries*, which he developed with Julie Plec and led to two spin-off series, *The Originals* and *Legacies*.

Williamson executive produced the acclaimed hits *Scream V* and *Scream VI*. Then, he returned to the director's chair for the seventh installment of *Scream*, which features the return of Neve Campbell in the iconic role of Sidney Prescott.

Recently, Williamson signed an overall deal with Universal Television to write, develop, create and produce new series for streaming and broadcast. *The Waterfront*, a personal tale of a family in turmoil, was a Netflix global hit, sitting at #1 for a rare three weeks. His slate also includes a re-imagining of the Hitchcock classic *Rear Window*, and a TV adaptation of David Fincher's 1997 hit film, *The Game*.

Born in a small coastal town in North Carolina, which served as the inspiration for *Dawson's Creek*, Williamson has been behind the scenes of a long list of films, television series and careers, creating unforgettable characters and thrilling stories that have built a wide, dedicated fan base. He resides in Los Angeles.

## MICHAEL FUQUA

**Major:** Physics; **Minors:** Mathematics and aerospace studies

During his time at ECU, Michael has pursued a Bachelor of Science in physics with minors in mathematics and aerospace studies. In addition, he will soon commission as an Air Force officer through ECU's Air Force Reserve Officer Training Corps (ROTC) program. Michael has held numerous leadership positions within Air Force ROTC. In the spring 2026 semester, he served as deputy wing commander, overseeing the training and mentorship of more than 65 students and fellow cadets. This highly competitive position within the cadet wing required significant responsibility beyond that of a typical student and served as his culminating cadet leadership experience. Previously, as a flight commander, he led and mentored 20 cadets in foundational leadership skills and executed 59 Air Force training objectives with more than 40 hours of instruction. Michael also commanded ECU's Air Force ROTC Arnold Air Society. In this role, he led various service projects supporting ECU, the local community and deployed service members. He was instrumental in securing a competitive bid over 11 universities to host the Arnold Air Society Regional Conclave at ECU, bringing regional recognition and engagement to campus. Beyond ROTC, Michael serves as a tutor for Calculus I and II, directly supporting student retention and academic success in essential STEM courses. He has also served as a scuba teaching assistant and has contributed to daily operations through campus employment with ECU Campus Living for the past two years, supporting thousands of students. After graduation and commissioning, Michael will attend Air Force pilot training and become a pilot.

## MAJOIE NGANDI

**Major:** Software engineering (data science concentration); **Certificate:** Artificial intelligence

Originally from Cameroon, Majoie Ngandi is an Honors College student at East Carolina University pursuing a degree in software engineering with a concentration in data science. During his time at ECU, he has distinguished himself through leadership, research and service to both the university and the broader community. Majoie contributed to research in the departments of computer science and geological sciences, serving as a data scientist on a National Science Foundation-funded project analyzing long-term air quality trends in North Carolina. His academic excellence earned him honors including ECU Outstanding Undergraduate International Student in 2023 and the Outstanding Undergraduate Research Award during Research and Creative Achievement Week 2025. Committed to community impact, he founded the Data Friday Initiative, bringing together data scientists to analyze societal challenges. He also volunteered extensively with the ECU International Students Association, helping prospective international students navigate the application and onboarding process. Following graduation, Majoie plans to develop technologies and data-driven solutions that positively impact communities worldwide.

## KATIE COUNCIL

**Major:** Accounting

Originally from Washington, North Carolina, Katie Council is a Brinkley-Lane Scholar in the Honors College at East Carolina University. She currently serves as Student Government Association vice president, where she represents the student body and advocates for student-focused initiatives across campus. Her work includes collaborating with the ECU Faculty Senate to propose a weighted A+ grading system to promote equity for ECU students within the UNC System. Katie has also demonstrated leadership as philanthropy vice president of her sorority, Alpha Xi Delta, where she led fundraising efforts that raised more than \$14,500 for the Children's Home Society and other nonprofits. She has served as Ocracoke chair for the Brinkley-Lane Scholars Roundtable, organizing and facilitating the annual impact trip for first-year scholars. She also served as a student program leader in the College of Business Toolbox Leadership Academy, where she taught leadership and confidence-building workshops to high school students. In the future, Katie plans to complete her Master of Science in accounting, become a CPA and work in accounting in eastern North Carolina.

## WHITLEY MCCOY

**Major:** Marketing

Whitley McCoy is an Honors College student in the College of Business majoring in marketing while pursuing certificates in entrepreneurship and professional selling. During her time at ECU, Whitley researched, designed and implemented a mentorship program within the Honors College that connects incoming students with upperclassmen mentors. The program has since been adopted as an ongoing initiative. She also serves as lead Honors ambassador, where she helps lead recruitment initiatives and represent the college to prospective students, working to attract high-achieving students to East Carolina University. Whitley has also been heavily involved in leadership within the College of Business. She serves as vice president of the Collegiate Entrepreneurs Organization and was selected as the first president of Business Scholars. In that role, she has helped establish programming and professional development opportunities that connect business students with leadership experiences, mentorship and campus resources. In addition, she serves on the dean's student leadership council in the College of Business, collaborating with faculty and fellow student leaders to advocate for student initiatives and contribute to the strategic direction of the college. Across these roles, she is passionate about building community, creating opportunities for others and representing Pirate Nation with pride. After graduation, Whitley plans to continue her education at East Carolina University by pursuing the Immersive Master of Business Administration (IMBA) program.

## KOOPER ASHMORE

**Major:** Risk management and insurance

Raised in Suffield, Connecticut, Kooper Ashmore is an Honors College student majoring in risk management and insurance. He served as president of ECU's Gamma Iota Sigma chapter for two years and is actively involved in the College of Business dean's student leadership board, the Copeland DEI Fellowship and Pi Kappa Alpha. Through his leadership roles, he has worked to strengthen connections between students and the insurance industry by organizing networking events, industry panels and professional development opportunities for RMI students. During his four years at ECU, Kooper helped more than double the size of the RMI program and expand student engagement by increasing opportunities for internships, scholarships and career placement in the risk management and insurance field. Additionally, Kooper served as the student speaker at the Spencer Education Foundation's Funding Their Future Gala in New York City, delivering remarks to a crowd of more than 500 industry leaders and professionals. This opportunity arose from being named the top-ranked Spencer Scholar nationally and earning scholarships from organizations including the Spencer Education Foundation, WSIA, NAMIC and CPCU. After graduation, Kooper is pursuing a career in the excess and surplus lines insurance industry as an associate broker.

# EAST CAROLINA UNIVERSITY'S MACE, LOGO AND SEAL

The **mace**, a medieval weapon, has become through the centuries an insignia of university authority. In this instance it represents the continuity of the institutional governing body.

Some 43 inches long and weighing approximately 14 pounds, the East Carolina University mace is constructed of sterling silver. It features a unique purple fluorite crystal cluster contained within a gold-plated cage. The shaft of the mace has a hammered texture and is divided in the center by a pierced band. The pierced design is repeated at the mace boss (symbolic head) and terminus. The terminus is a representation of the historical weapon head which has diminished in size as the mace has changed from a weapon to a symbol. The same representation of symbolic use has increased the size and importance of the boss or mace head. The mace bears the inscription *East Carolina University 1907*.

This handsome mace was designed and executed by the late John Satterfield of the Design Department of the East Carolina University School of Art, who commented on the design concept: In designing the East Carolina University mace I have attempted to maintain the visual integrity of a traditional mace and at the same time create a contemporary symbol which is unique to this institution.

We share a bold vision. Big goals. Great opportunities. Getting there means telling the ECU story in an equally bold way.

The university **logo** is a central component of ECU's brand identity. The logo is a stylized illustration of the most iconic architecture on the beautiful ECU campus: the Cupola. The Cupola is a copy of the ornamental structure that once graced the top of Old Austin, the original administration building.

Look closely at the logo and you'll see a representation of our students in cap and gown, underlining this university's commitment to student success.

ECU's logo — like the logos of other national universities over hundreds of years of higher education — also includes a shield, contributing to a sense of heraldry, gravitas and stature. This is paired with the letters ECU, in type that is both bold and fitting for the institution's personality.

The official East Carolina University **seal** is a six-cornered shield encased in a circular border containing the name, location, and founding date of the university. It appears on the diploma. The shield represents the shield of trust, as was used in the Crusades.

The university's motto, *Servire* — meaning To Serve — is emblazoned on the scroll. The blazing torch and the open *Book of Knowledge* symbolize education and the service rendered to the students by the university. The ink pot and quill, symbols of scribes, represent the creative arts and the contributions of the students to the world of business. The pirate is the school mascot.

The central motif of the design — a shield within the shield with Polaris, the guiding star, behind the two half globes that make up the world — expresses the idea that East Carolina University has the mission to educate graduates who will serve to the four corners of the world.

Actual honors are awarded based on calculations at the conclusion of the student's final term of enrollment.

The Commencement Program is printed prior to administering final examinations. Therefore, the inclusion of names of degree candidates in this program is not certification that degree requirements have been satisfactorily completed.

# THE NATIONAL ANTHEM

*Oh! say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there.  
Oh! say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?*

– Francis Scott Key

## ALMA MATER

*Praise to your name so fair,  
dear old East Carolina  
Your joys we'll all share,  
and your friends we'll ever be.  
We pledge our loyalty  
and our heart's devotion  
To thee, our alma mater, love and praise.*

– Harold MacDougle '44
